Do you have a parent or sibling willing to come with you to local nature preserves?

_____ YES _____ NO

Do you have any hopes for the club? In other words, do you have a specific nature preserve that you would like to visit or a subject/animal/habitat that you would like to study and hear more about? This is the beginning of this club and so you have a big say in the workings of it. So if you have ideas, now is the chance to voice them (feel free to use the back of this form)!

What experience do you have in the outdoors? (hiking, camping, backyard exploring. . .)
